**LYCOMING COLLEGE**  
*Williamsport, Pennsylvania*

# Fast Forward

**F**ast Forward . . . that is the direction that Lycoming College and our lives are heading. Forward, not backward . . . improving, not staying the same . . . changing, all for the better. As students we left last summer and came back to a different Lycoming College. The summer was a time of incredible change. The Heim Building was completed and ready to welcome biology and chemistry classes. We found our mailboxes in Wertz instead of Rich. The bookstore expanded and updated itself with computers. The library was computerized also, with barcodes needed on ID cards. Even with all these changes we continued moving forward. In order to help save our planet,

Lycoming College started recycling glass, paper and aluminum. Our football team stormed through the MAC's and landed in Florida to compete in the Amos Alonzo Stagg Bowl.

Our lives are moving forward through the weeks and months, headed for that final day in April. For some it means jobs, graduate school, the real world. For others it means yet another year to look forward to at Lycoming College. As we move forward our lives change just as our college does. But for everyone it means moving forward . . . fast forward.

# Lycoming . . . an overview ►►

**S**tudents at Lycoming College can find a variety of activities to participate in. No matter what preferences a person has, there is always something to do, always something to get involved with. There are also programs and activities put forth by the College or organizations for the students' enjoyment.

Students can join one of the many varsity sports, or if they just want to play for the fun of it, intramural athletics are

available for a wide variety of sports. In addition to athletics, there are organizations covering just about every academic and social interest. And these organizations offer exciting and interesting programs ranging from concerts, comedians, and dances to educational forums. So when the studying is done, there definitely is lots to do.

# The beginning of it all. ▶▶

**O**n Sunday, August 26, 1990, many students had the thrill of moving into a college dormitory, in other words, moving into what would be their "home" for the next semester or two. If you looked around the campus you saw a lot of activity. There were cars parked everywhere they could, boxes and crates being carried to rooms, and furniture being carried from people's cars or across the Quad. There were many families, including either younger or older brothers or sisters to help with the moving in. Everyone was put to work on "moving-in day."

While everyone seemed really busy with carrying belongings to rooms, many people found the time to do other things. Now was the time to find the friends who you had not seen for months and to catch up on their lives. As you looked across the campus or down the halls you saw many friends saying "hi" and hugging each other, or already picking on one another.

Of course, let's not forget about buying

those books for classes. As everyone entered the bookstore, most students were taken aback by what they saw. For the incoming students this may have been the first time they saw any college bookstore, but for the upperclassmen, it was a new bookstore entirely. The old bookstore had undergone a face lift during the summer and this was the first time many of the returning students saw the results—The Campus Store! All of the students had loads of time to check it out as they waited in the long lines to buy their books and supplies, building muscles all the time.

So, as the day wore down so did the moving-in, and students looked ahead to the start of classes on Tuesday.

# Festivities for all . . .

**O**n September 1, 1990, this college took on a different appearance. Instead of students walking towards class, or going to the cafeteria, or playing ball in the Quad, there were booths going up, clowns walking around, and a dunk tank sitting in the Quad.

What was going on? Well, the carnival had arrived at Lycoming College. All ages were at the carnival, and there was an event for every age. Some of the events at the carnival were Victorian pictures, a recording booth, and a throw a pie at Lambda Chi booth. The air was

filled with fun, joy and relaxation. The smell of hot dogs, hamburgers, and other food filled the air. Some of the bigger attractions were the old Victorian pictures and the recording booth.

As some clowns were busy making animals and shapes out of balloons another clown was walking around hugging people, giving them a big orange sticker saying they had been hugged.

But what seemed to be one of the biggest attractions was the dunk tank. This always seemed to have a long line in front of it. Whether it was the chance to dunk

a friend, a roommate, Marco or Sean, or an obnoxious freshman, everyone seemed to have fun at the tank. When the little children hit the target, or when they ran up and pushed it, causing the person in the tank to be dunked, something in their faces lit up.

As the evening came to a close, all of the families went home and the students headed elsewhere. It seemed to be a good way for the students to relax from their first week of classes. This year's carnival seemed to be a great success and next year's should be even better.

# Quad is the scene for food and fun. ▶▶

**T**he first weekend in September was the annual campus picnic. This year the Activities Fair, at which representatives from campus organizations set up displays to inform the students about their groups, was combined with the campus picnic. Seiler's set dinner up outside on the Quad and students milled around checking out the organizations' displays. Students took their paper plates and sat on the steps of Wesley, Rich, or even on the grass to eat their dinner. Friends mingled and reminisced, or boasted, about their summer activities. The picnic/activities fair was an enjoyable start to the school year.

# All eyes on the Warriors!

**F**ootball is an American tradition. People play it, watch it on television, attend the games, and generally just love it. The students at Lycoming College are no exception. Besides watching professional football, all eyes were on the Lycoming Warriors football team, especially this season.

The Warriors football team, led by Coach Girardi, went undefeated in the MAC league and continued its winning streak through to the NCAA Division III National

Championship game. For the first time the Warriors found themselves at the Amos Alonzo Stagg Bowl in Bradenton, Florida.

Devoted fans who had been attending the games found various ways to get to Florida. Those who couldn't, watched on national television. Definitely on that day, all eyes were on the Warriors!

So "fast forward" through the pages and enjoy a month-by-month journey through the events of the 1990/91 academic year at Lycoming College.

In *September/October* you will find fall sports, along with special events that occurred during these two months. Intramural sports, Halloween, Homecoming, and "Charley's Aunt" are just a few events covered in this section.

**C**ross country has been coined the lonely distance runner's sport. This season proved to be just that. Without enough members to compete as a team (five are needed) individuals were forced to race against the clock and run long distances by themselves, but determination and love of the sport kept them fighting to keep the team alive. With only three women and four men, the smallest team ever, the Lycoming College harriers competed in two dual meets, three invationals, and the Middle Atlantic Conference Meet.

First year coach Jay Kramer led the team through a trying season. Some individuals turned in outstanding per-

formances deserving of commendation. David Harvey placed 2nd overall, first for Lycoming, in a home dual meet against Juniata. At that same meet, Lisa Rotunda turned in her best performance finishing 5th overall in 22:20. At the Lebanon Valley Invitational John Shafer finished 98th overall with a time of 31:17. All team members put in tremendous time and dedication to make this season possible and to keep the sport of cross country a tradition at Lycoming.

Also, a special thanks to Dr. John Piper, founding father of Lycoming cross country in 1983, for all his help and continued support.

**T**he Lady Warrior field hockey team, led by seventh season coach Janis Arp, had an upsetting season. They ended the year with a 2-9-1 record and finished 0-5 in the MAC, but the Lady Warriors didn't give up and fought till the very end. The games were very close, with most of the losses by only one goal.

The two highlights of the season were

victories over Marywood and Mansfield. Individual scoring was good, with Tammy Babish scoring 6 goals, Chrissy Simpson four, and K.C. DeMoss, Peggy Beardslee, and Tara Kelly one each. Jennifer Prough, Amy Buffenmeyer, and Wendy Picker led in assists.

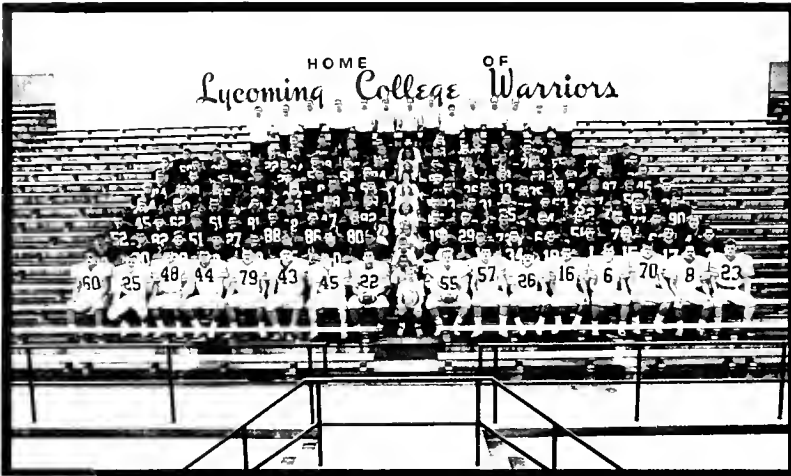

Next year's season is looking good, with fifteen letter winners returning.

# Florida Bound

**The 1990 Lycoming Football Warriors.**

The team was led by All-MAC first team selections Dean Hoffman, Rick Bealer, Ed Terwilliger, Joe Gillespie, Bill Small, Joe Emrick, Ed Dougherty, and John Phillips. In addition, Dougherty was named MAC Player of the Year and for the second year, Bealer was named to the first team AP Small College and Kodak Division III All-American teams.

**T**he Lycoming Warrior Football team accomplished what has never been accomplished by any previous team—they made it to the NCAA Division III national championship game in Bradenton, Florida. The Warriors, coached by five-time MAC coach of the year Frank Girardi, in his nineteenth season, came out with an overall record of 12-1-0 and were the MAC champions for the sixth time with a conference record of 8-0-0.

After sweeping through the MAC conference games with an undefeated record, the Warriors proceeded to the first round of the South region NCAA and defeated

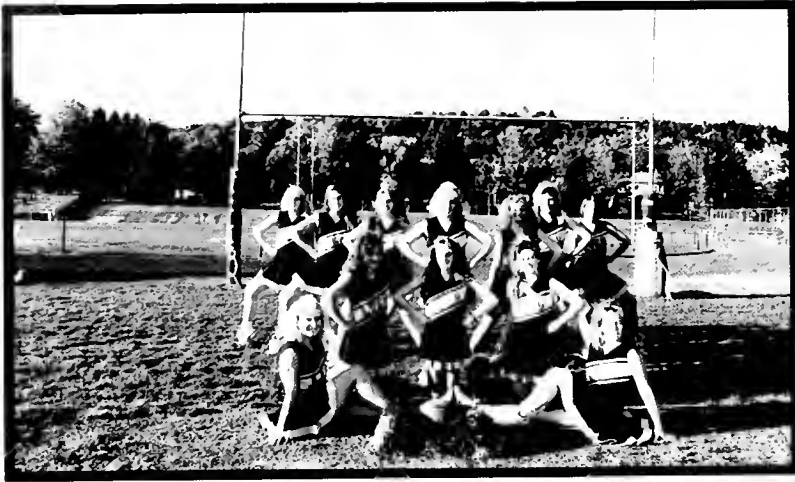

Carnegie-Mellon. The Warriors moved on to the South region championship game and shut out Washington & Jefferson, 24-0. As NCAA South region champions, the Warriors went up against the NCAA East region champs, Hofstra. The winner of that game would then proceed to the Amos Alonzo Stagg Bowl in Bradenton, Florida.

Lycoming defeated Hofstra, 20-10, and the Warriors found themselves heading for Florida to compete against Allegheny College in the finals. Unfortunately, Lycoming's winning streak was snapped by Allegheny 14-17, in overtime.

The co-captains were junior Shannon Holland and senior Kathleen Ely. Besides providing support for the football team, the squad helped local grammar school

squads prepare for their competitions and judged at several other competitions.

December 6-9 the cheerleading squad accompanied the football team to Bradenton, Florida for the NCAA Division III championship game.

**T**he Lady Warrior volleyball team, extremely young, found it tough going in the Middle Atlantic Conference in 1990. The team posted an 0-5 record for the year in the MAC's.

The team, coached by three-year mentor Cheryl Dempsey and assisted by Alice Brown, was piloted by senior co-captains Karen Leibman and Maria Pizzella, both MAC All-

Academic selections for the past two years. Other letter winners included senior Carol Fenix, juniors Liz Evans and Shannon Mudrick, sophomore Heather Shedlock and freshman Jennifer Leister.

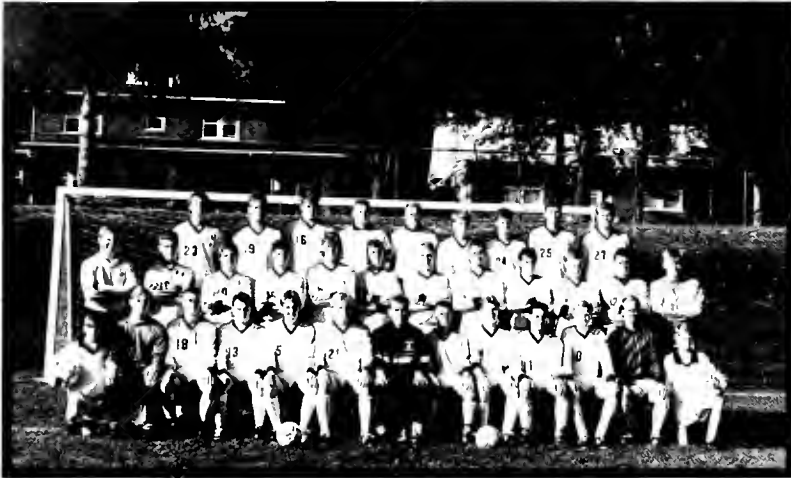

With four returning letter winners, prospects of a winning 1991 season look very good for the Lady Spikers.

**T**he Lycoming Soccer team found themselves with a new coach, Rob Eaton. Eaton came to Lycoming after playing four years of soccer at Lock Haven, assistant coaching for a year at Millersville, and coaching at California University of Pennsylvania. Even with a new coach, the team finished the season with a 4-7 overall record and with a 2-2 in the MAC. Eaton's goal was for the team to do the best they could, and that is what they did.

Highlights of the season were the

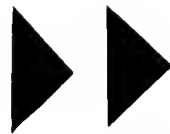

victories over Juniata, Baptist Bible, Dickinson, and Albright. Leading the way for the offense was Steve Eldredge who scored 4 goals and one assist. Others who contributed were Todd Rapel with 2 goals and 1 assist, Kevin Kreamer with 1 goal and 2 assists, and Clete O'Connor and Drew Strohmeyer with one goal each.

The team is hard at work and has a good outlook that next year will be a great season. And, with twenty returning letter winners, their future looks good.

# All it takes is a little adjusting . . .

**T**he summer is over and it is time to adjust to the routine of college life. The first few weeks are spent trying new things, adjusting to a college schedule of classes, and working into the day everything that must be done.

But by the end of September, everyone is settled in and into the swing of things. Schedules are arranged to accommodate classes, homework, sports, jobs, organizations, and fun. There always seems to be time for everything—all it takes is a little adjusting.

**I**t's four o'clock in the afternoon and people are playing flag football on the Quad. Groups of students are scattered around the area watching the teams compete. This is a common scene during the fall intramural season.

In addition to flag football, fraternity, sorority and independent teams competed in volleyball and softball. Not only is it fun to compete and try to win the championship, it is also enjoyable to be a spectator for the intramural activities.

**H**omecoming 1990. This year the 1990 Homecoming weekend honored the Class of 1940 (50th reunion), Class of 1950 (40th reunion), Class of 1970 (20th reunion), Class of 1980 (10th reunion) and Class of 1985 (5th reunion.) The highlight of the weekend was the Homecoming football game and the crowning of the 1990 Homecoming Queen.

Students, faculty, and alumni crowded into the stands at College Field to cheer the Warriors on to a victory over Susquehanna. During halftime, Jennifer Price was crowned the 1990 Homecoming Queen by her predecessor, 1989's Heidi Meakin.

# Dedication of the Heim Building

Besides all the normal Homecoming Weekend festivities, something different occurred and that was the dedication of the Heim Biology and Chemistry Building, Lycoming's brand new science facility.

President Douthat presided over the event which featured a dedicatory address given by Dr. Russell Aiuto, Director of Research and Development for the National Science Teachers Association. Luther D. Heim and Elizabeth Heim Weaver, along with other members of the Heim family, were present for the ceremony honoring their parents, Joseph A. and Clara Stabler Heim.

Stanton D. Barclay, his wife Edith, and their family were present for the dedication of the Barclay Lecture Hall.

In the months of November/December the *Arrow* staff focuses on the clubs and organizations on campus, as well as activities, sports, and events that occurred within these two months. Women's and men's basketball are covered in the following pages, as are the bloodmobile, football championship game, and the Christmas candle-light service.

# Something for everyone

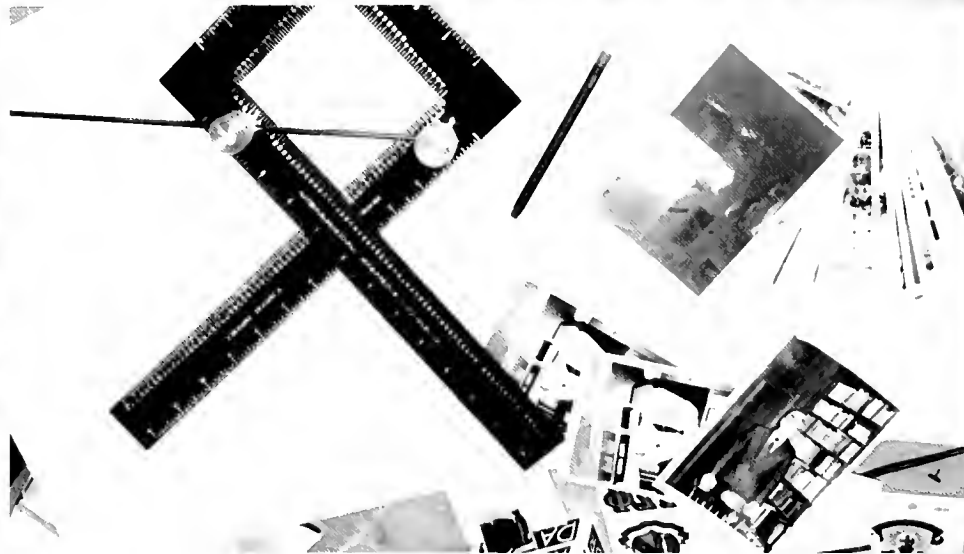

**A**fter the studying is over, what is there for students at Lycoming College and how can they fill their free time? There are a variety of clubs and organizations to join on campus that cover a wide range of interests. There are organizations related to majors, social and service organizations, and organizations focused on a certain topic.

Students can join any of the many clubs and organizations, such as CAB, Circle K, Business Society, choir, yearbook, Lycourier or The Public Forum. Yet, no matter the interest, there is definitely something for everyone.

# Arrow

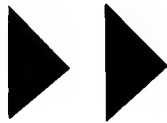

**T**he 1991 Arrow staff worked hard to cover the events of the year and to record them within the pages of this yearbook. The theme, Fast Forward, was chosen because of the various changes that were occurring at Lycoming College and within our lives.

The students who comprised the staff met at least once a week to plan, organize and put together the yearbook. A lot of time, dedication, and hard work was put in by the students and it can be seen in the final result. The 1991 Arrow staff hopes that everyone enjoys the yearbook that we, the staff, so much enjoyed putting together.

# BACCHUS

**B**ACCHUS (Boost Alcohol Consciousness Concerning the Health of University Students) grew this year, gaining more recognition. The purpose of BACCHUS is to encourage responsible drinking, which includes knowing one's limits and keeping within them, and not drinking and driving.

This year, BACCHUS organized activities during Alcohol and Drug Awareness Weeks, including showing movies, serving "mocktails," and arranging a panel which demonstrated the effects of alcohol on driving performance.

# Concert Band

**T**he Lycoming College Concert Band is comprised of musicians from all academic majors. The band participated in the Awards Convocation, graduation ceremonies, and many concerts.

This year the band toured different high schools in south-central Pennsylvania. They also spent a day at Baltimore's Inner Harbor and in Williamsburg, Virginia.

# Beta Beta Beta

**D**r. Frank Brooks founded Beta Beta Beta, a biological honor society, in 1922, at Oklahoma City University. The organization did not become national until 1925. Dr. Brooks established three goals for TriBeta, which include the promotion of scholarship in the biological sciences, the dissemination of biological knowledge, and the encouragement of scientific research. Today, over 320 four year accredited colleges have TriBeta chapters.

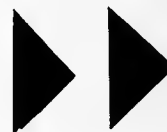

The Rho Beta chapter was established at Lycoming College on 8 April 1980. Since then many biology, chemistry and psychology majors have enjoyed the privilege of membership. During this year TriBeta provided various social activities, such as a camping trip and a ski trip. Members also attended ECSC in the spring to present research. They participated in campus activities such as the Campus Carnival and the bloodmobile.

As an organization, TriBeta hopes to encourage more students to become excited about pursuing careers in the sciences.

# Business Society

**T**he Business Society, made up of interested business administration majors, brings students together to discuss important topics and current trends in their major. It also provides the opportunity for the business students to meet individuals in the business world. And finally, the Society helps the students prepare for their future careers in business.

# Campus Ministry

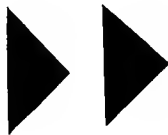

**T**his year, Catholic Council and Chapel Fellowship joined forces and now are known as Campus Ministry. The group is open to all students of any denomination. They meet every Sunday in the United Campus Ministry Center to enjoy a home cooked meal and fellowship.

Along with taking orders for birthday cakes to be delivered on the students' birthdays, Campus Ministry participated in many activities within the college community and, also, outside in the surrounding community.

# Circle K

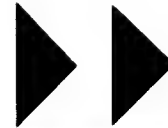

**C**ircle K, an international service organization affiliated with the Kiwanis and Key Club, is composed of students intent upon helping others. Each year, Circle K raises money for a worthwhile charity. This year the money was raised for Make a Wish Foundation. The students, in order to raise money, held a rock-a-thon and a wishing well at the Lycoming Mall.

Their most significant project is sponsoring two bloodmobiles for the American Red Cross, one in the fall and another one in the spring semester.

# Campus Activities Board

**T**he Campus Activities Board of Lycoming College is made up of approximately 40 students. All of us spend a lot of time working to bring entertainment to the rest of the student body. This task is quite a difficult one and we always look for new members with new ideas.

With a variety of activities such as the All Night Hot Tub Party, the Comedy Jam, Mr. Lycoming Contest, and the REO Speedwagon concert, we try to present activities which interest the wide range of students on the campus.

# Choir ▶▶

**T**he Lycoming Choir performs throughout the year at campus events such as football games, the Christmas candlelight service, Homecoming and graduation.

The tour choir, comprised of about forty students chosen through audition, travelled to New England and performed in churches in Massachusetts, New Hampshire, and Connecticut. Besides singing, the choir got the chance to spend time sightseeing in Boston and Salem.

# Criminal Justice Society ►►

**T**he Criminal Justice Society was founded in order to supplement the activities of students in the criminal justice major.

The society organized events and sponsored guest speakers to better inform its members about the legal system. Through these programs members were given the chance to meet and talk with people in their field of interest, giving them more information for making specific career choices.

Officers for the year included Gina Lawruk, president, Lisa Ann Hughes, vice-president, and Elissa Foner, secretary.

# Economics Society ►►

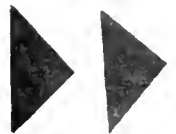

**O**micron Delta Epsilon is the national economics honor society whose members include those students with superior academic achievement in economics.

The organization held monthly dinner meetings in one of the private dining rooms and invited speakers to share their experiences in economics related fields. In addition, the society reopened relations with the Williamsport Area Management Club, hoping to strengthen ties with that organization in the future.

# Education Association

**T**he Lycoming College Student Education Association doubled its membership this year and they hope to continue growing.

During the year the club offered a seminar to help the future teachers prepare for taking the National Teachers' Exams. The club also organized a panel of Lycoming alumni who offered helpful suggestions upon entering the teaching profession. Some members also volunteered their time at local Head Start centers for young children.

A panel of current student teachers, willing to share their experiences with other members, was planned by the Club along with additional seminars to help prepare future teachers.

## English Society

**T**he English Society is composed of a group of individuals who are interested in English. Some members are English majors, others are English minors. Still others simply enjoy English.

During the course of the academic year, the English Society met bi-weekly in order to discuss future events, funds, fund raising, and of course, literature. The society also attended the poetry readings on campus.

At the end of the year, the Society funded a nice party for English professors, majors, minors, and the Great Stream Review and Tributary editors. The party was a success because of the work of Liz Sutliff who was treasurer of the society.

# Inter-Fraternity Council ▶▶

**T**he Inter-Fraternity Council, the governing body of the social fraternities, is composed of the presidents and an elected representative from each house, plus six elected IFC officers.

IFC's main purpose is to communicate concerns and information regarding Lycoming's Greek system and to strengthen the fraternal system by encouraging scholarship, philanthropy, and campus leadership.

This year IFC was actively involved in community service and was also instrumental in programming several campus-wide educational programs on legal liability, human sexuality and substance abuse.

# Karate Club ▶▶

**T**he objective of the Lycoming College Karate Club is to guide individuals in the principles of character formation, etiquette, and mental improvement; including understanding of one's self. This concept separates Karate-do from other forms of combative sports. Through mental and physical improvement the students benefit not only themselves, but also their families, friends, and society.

The Karate Club

The *Lycourier* went through many changes in its second year, including a new look and a predominantly new staff. The fall semester began with Brian Poppe as editor, creating a number of new features including Ken Mayer and Wayne Fisch's movie review and T. Michael Hall's popular music review. Also new was Greg Beckley's review of contemporary Christian music.

Among the major stories of the fall semester were the departure of several members of the administration and the football team's march to the Stagg Bowl. The *Lycourier* sent a photographer to Bradenton, Florida, to cover the division

III championship game. Some of those photographs by Wayne Fisch can be seen in this yearbook. Other incidents of note included the Go-Go's concert, the discovery of an abused cat's body, the jumper from East Hall, and the appointment of new officers to replace the departing ones.

The staff officers for fall included Brian Poppe and Jeff Michaels as editors, T. Michael Hall as business manager, and Diane DeNisco as advertising manager.

The spring semester started off with a new editor, Eric Delker, and the tragic story of the death of Catholic Campus Minister Sean Walsh. Under Delker's leadership, *The Lycourier* adopted a lean, clean look and won both praise and criticism.

icism.

The complaints came in the form of letters to the editor on Delker's sometimes controversial editorials. The praise also came in the form of letters, including one from a college official who spoke highly of the paper's new style, saying, "It truly represents a significant step forward in the developmental process of steady improvement which began in 1989."

The officers during the spring were Eric Delker as executive editor, Ali Greenberg as managing editor, Brian Hartman as business manager, and Jeni Schwab as advertising manager.

STUDENT NEWSPAPER OF LYCOMING COLLEGE

**Controversial leaflet**

By Eric Delker  
Editor, *The Lycourier*

Several leaflets asking controversial questions were discovered across campus this weekend.

On Saturday between 9 p.m. a five-question was found on a bulletin board in Grever Hall.

The first two questions asked about a former football player who had been seen on campus.

**Graduate tells of War in Gulf**

By Eric Delker  
Editor, *The Lycourier*

A 1969 Lycoming College graduate and ABC TV news producer spoke at the Heim Science Building last week concerning his eyewitness coverage of the Persian Gulf War.

Nathan William Thomas was assigned to the Middle East area and was in Baghdad, Iraq on the day the war began.

# Math Club

**T**he Math Club recently joined the list of Lycoming College clubs. Its main objective was to discover the interest of students who enjoy the mathematical sciences. Common concerns and interests to be explored in the future were established by the group.

Some future activities planned by the Math Club include guest speakers, hosting movies such as "Stand and Deliver," sharing software, and opening channels of communication between the department and student needs. The club was very optimistic this year and hopes that its enthusiasm persists.

# Pan-Hellenic Council

**T**he Pan-Hellenic Council is the governing body for the three Greek sororities on campus. The council is made up of elected officers and representatives from each sorority. This year Pan-Hellenic Council worked hard to improve communications between the sororities and administration, communications and relations among the three sororities, and to improve rush rules and regulations.

The council was extremely successful in uniting the sororities, as seen in Unity Day where all sisters wore their letters.

# Society of Physics Students

**T**he Society of Physics Students is composed of students who are either physics majors or who just enjoy the principles of physics. The society holds social activities related to physics and also enables the students to explore the many wonders of physics. The society sponsored a Halloween party, talks on subjects within the field, and conducted experiments.

Plans for the future include field trips and renovating the planetarium.

# Political Science Club

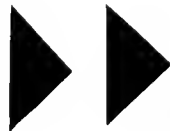

**P**olitical science majors and students with an interest in that field form the Political Science Club. This year the club sponsored a drive to register Lycoming College students as voters and/or sign them up to receive absentee ballots. For a week in the fall, members worked hard during the lunch hours to get students registered to vote.

Taunia Halcrow and Meredith Rambo help register a student to vote.

# Public Forum

**T**he Public Forum, founded this year, was formed by students who wanted to exchange ideas with the local Williamsport community on topics of current interest such as the Middle East crisis, water pollution, the influx in the Williamsport community, "Should Greeks (fraternities and sororities) be banned?", censorship, hate groups on college campuses.

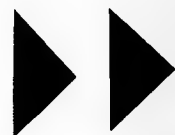

The forums were well attended and many community residents expressed their appreciation and interest in the topics, and were impressed by the professionalism of the club.

The Public Forum hopes it will continue to meet the needs and interests of the local and college communities and will raise a greater awareness of the issues that concern us all.

Brenda Gearhart, president of the Public Forum, introduces one of the many participants who spoke to students, faculty, and community residents on various topics of local, national and international importance.

# Student Association of Lycoming College

**T**he Student Association of Lycoming College (SALC) represents all students and is the governing body over most clubs and organizations and serves as a communication link between the students and administration.

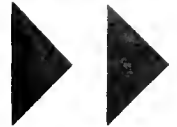

This year SALC worked hard to address student needs in the gym and donated three rowing machines for the use of students. In addition, SALC addressed student concerns such as the "Bunk Business" and food in the cafeteria.

SALC held several open debates, including one on banning smoking in the cafeteria. As elected representatives for the students, SALC members try to work with all complaints and issues brought to them by the students.

# Reserve Officers Training Corps

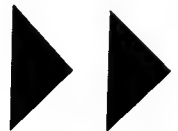

**L**ycoming's R.O.T.C. enables students to enroll in the U.S. Army Reserve Officers Training Corps program. Students participate in a basic course and an advanced course in military science and an advanced summer camp.

Upon completion of the program, ROTC cadets qualify for a commission in the U.S. Army as a Second Lieutenant and are obligated to serve in the active Army or the Army Reserves.

## Student Nurses Association of Pennsylvania

**T**he Student Nurses Association of Pennsylvania (SNAP) is part of the national student nurses association. This organization prepares nursing students for their professional careers as future nurses. SNAP provides health education to our community and to the campus. It also sponsors guest speakers on health related topics.

Projects included community and campus health screenings, visiting the elderly, and supporting the men and women serving in the Persian Gulf. The organization distributed yellow ribbons to students and faculty in addition to tying yellow ribbons on a campus tree to show its support for those serving in the Gulf. A donation was made to the auction to raise money for a scholarship in memory of Brandy Sudol, a fellow nursing student who died from cancer.

# WRLC, 91.7 FM

**"T**he College FM" reached out this year to faculty, administration, staff, and the Williamsport area to help better serve our listening audience.

Many new faces joined old ones to create the largest staff that WRLC has seen in years - 70 students. The executive staff expanded to help better serve Lycoming College and the Williamsport area. Leading the way through the 1990-91 academic year were station manager John Oleniacz, program director Carlos Ramos, music director Joe Wynne, succeeded by Larry Kipp and Karen Tepsic in January. Sports director Jay Tanenbaum, technical director Mark Klein, public service directors Carolyn Blatchley and Kelli Lewis, librarian Mike Almassy, secretary Brenda Vroom, and Rob Guellich in the newly revived position of news director completed the executive staff of the station.

WRLC broadcast every Monday through Friday from 8AM-2AM, and Saturday and Sunday from 12PM-2AM. The

station continued a "freeform" format in which the DJ's selected their own music as well as music from the station's playlist. Special shows included a Children's Hour, Punker-ama, Metal Cornucopia, Oldies, Lost in Space, the Classical Hour, and the Midnight Train as well as weekly album spotlights and news programming.

Highlights of this year were broadcasting the NCAA Division III football championship game from Bradenton, Florida, broadcasting Lady Warrior softball from the sidelines, and live remote broadcasts during different events from around the campus.

WRLC received approval from the Federal Communications Commission in February to move into the Mass Communication building. WRLC will move during the summer and will begin broadcasting in early September 1991 from the other side of campus.

# Save a life - give blood

**T**he lack of blood is one of the American Red Cross' biggest problems.

There is always a tremendous need for blood in order to save lives and provide someone with a second chance. The Red Cross is always looking for acceptable blood donors. Circle K provides this opportunity to give blood to the students, faculty and staff of Lycoming College and community residents.

Twice a year, Circle K sponsors a blood drive with the American Red Cross. For one day in the fall and another day in the spring, Pennington Lounge is transformed from a study area to a mini blood donor

area.

This year, to help increase the turnout of blood donors, Circle K offered three cash prizes to the organizations that had the highest percentage of members turn out to try and give blood. The group with the highest turnout was awarded \$100, second highest received \$75, and the third highest group received \$25. This provided an incentive for groups to turn out in full to help the Red Cross in their blood drive. Each blood drive is successful and helps the Red Cross to save lives.

**L**ady Warrior Basketball, under the direction of third season head coach Jim Orr and first year assistant coach Suzanne Helfant, ended the season with a 10-12 overall record and a 3-7 record in the tough MAC conference. The season highlights were the Lady Warrior overtime victory over Scranton and another surprise victory over Elizabethtown.

Leading the team was senior Adrienne Aiken who left Lycoming holding five Lady Warrior records:

single season scoring record (428 points, 1988-89), career scoring record (1,469 points), career rebounding record (840 rebounds), career foul shooting-made (266), career foul shooting-attempts (346). In addition, Aiken tied the single season foul shots made (90) and single season foul shots attempted (133) during the 1987-88 campaign.

The Lady Warriors come back next season with four starters and ten letter winners returning.

**T**he 1990-91 men's basketball team again suffered a down season. The team, led by Coach "Dutch" Burch in his 29th season as head coach, trudged through a 25 game season, coming out with a 4-12 MAC record and a 6-19 overall record, a significant improvement over last year's two victories.

Again this year, the cagers were young, with no senior players. Highlights of the season were the victories over Goucher,

Juniata, Misericordia, Albright, and Delaware Valley. Sophomore forward Tim Marose was nominated for the Middle Atlantic Conference All Stars.

Next year's men's basketball squad will be quite experienced, with most players having worked their way up through the ranks for three years. The team expects to have five varsity starters and nine letter winners returning.

# Welcome Back, Warriors!

**T**he Lycoming Warrior football team made it to the NCAA Division III National Conference Championship Game, the Amos Alonzo Stagg Bowl, in Bradenton, Florida. In Florida, the Warriors put on a great show and gave it their all.

Back home, Lycoming College watched their team play on national television. Everyone was so proud of how far the team had gone in the conference. But, unfortunately, the Warriors were unable to win the championship title. The College's pride was still with the team and was demonstrated by the huge turnout for

the welcome home for the team. Students, faculty and community leaders turned out in numbers to welcome the Warriors home. Signs were everywhere, letting the players know they were number one.

The Warriors, complete with a police escort, arrived at the College after touring the city to be greeted by cheering fans. Williamsport's mayor, Jessie Bloom, President Douthat, and Dr. David Haley welcomed the team and Coach Girardi spoke about the game. This was definitely one proud day in Lycoming College history.

# Celebrating Christmas

**T**he fifteenth Annual Christmas Candlelight Service was held on December 9, 1990. Students, faculty and community members gathered in Clarke Chapel to celebrate the coming of Christmas. This year something new was added to the traditional Christmas celebration. Prior to the service, the Women of Lycoming College sponsored a progressive supper. Each student was invited to share supper at the home of a faculty member, usually someone from the major department. Following supper, there was an ice cream and dessert so-

cial in Jack's Corner for all to enjoy.

The Candlelight Service was held in the chapel decorated for the occasion with Christmas trees, pointsettias, and white lights. Before the service started, the concert band set the mood for the waiting worshippers by playing Christmas carols. Fr. Jack Lambert and Rev. Marco Hunsberger delivered Christmas messages and representatives from organizations read scriptures from the Bible. The service concluded with the lighting of individual candles and singing of carols.

**T**he months of January and February spotlight the Greek fraternities and sororities, rush, the hot tub party, *She Stoops to Conquer*, the Mr. Lycoming College Contest, and the winter sports of wrestling and swimming.

# Collage of Winter Intramurals

# Rush

**R**ush is a time for the fraternities and sororities to get a chance to meet and get to know students who are interested in Greek life. In the fall, rush-ees go through open rush, while in the spring, rushees must go through formal rush.

During rush, each Greek organization has the opportunity to hold parties where rushees attend and get to know the brothers or sisters. The parties are fun and sometimes quite original. Even if one is not interested in pledging a fraternity or sorority, rush is still a great opportunity to meet people.

# Alpha Rho Omega

**A**lpha Rho Omega was founded on April 1, 1981 with the purpose of creating a sisterhood dedicated to unity, loyalty, individuality, and respect.

With these traditions in mind, the sorority worked to make the 1990-91 school year a success. There were two great pledge classes, the fall class the largest in the history of the sorority.

Jennifer Price, an Alpha Rho sister, was elected Homecoming Queen for 1990. Alpha Rho also worked hard in the area of academics and once again earned the highest grades among the sororities.

A lot of time was spent on service projects during the year. Volunteering at

Leader Nursing Home, St. Anthony's Soup Kitchen, the Red Cross, and the American Cancer Society as well as participating in the Adopt-a-Highway program were examples of service projects.

This was a year of historical significance as the sorority observed its tenth anniversary. To celebrate the occasion, Alpha Rho Omega had its best formal yet, with over 40 alumnae attending.

Year after year, Alpha Rho continues to grow. As we close this year, we leave Wesley Hall and many memories behind, but we will always cherish them in our hearts.

# Alpha Sigma Phi

**M**arching to their own beat as usual, the "ALPHA SIGS" endowed a most exciting year. Early first semester, their lounge underwent a great change. An addition of new furniture, accompanied by plush carpet enhanced the ALPHA SIG atmosphere. Also, for an added attraction, a new Fussball table was strategically placed next to the lounge.

The rush program at ALPHA SIG proved to be successful with a yearly total of fifteen pledges. The Spring '91 pledge class of eleven was the largest in six semesters.

ALPHA SIG's annual PIRATE PARTY, which was held in conjunction with Alpha Rho Omega for the first time, was also a huge success. The annual "BLACK-AND-WHITE" formal was held off campus this year.

Taking pride in their community service projects, ALPHA SIG became very involved. First semester they participated in their annual project, the Avis Run. They also conducted a clothing drive for the

underprivileged of Williamsport. Second semester involved participation in the local soup kitchen, as well as playing Bingo with the elderly of Leader Nursing Home.

Campus participation was also demonstrated by the tying of "yellow ribbons" on a tree . . . ALPHA SIG's way of showing respect for the troops in the Gulf War. In addition, a card of appreciation was sent to the father of brother Jesse Wise, who was serving in the Gulf.

ALPHA SIGMA PHI is proud of its past. And, how does the saying go? . . . . . "Just wait 'til next year!"

## Beta Phi Gamma

**B**eta Phi Gamma is the first sorority established on campus, founded October 13, 1976. The sorority has 39 sisters, along with 9 great pledges. We are all as close as ever. Beta Phi is filled with a bunch of enthusiastic and energetic girls involved with many campus activities and service projects.

We have been involved with intramural sports such as basketball and flag football. Our service projects include participation in the CROP Walk, helping with the Special Olympics bowling, giving blood, working with the Red Cross and having guest speakers. We also attended the vigil for the hungry in our chapel.

Beta Phi has been very active. We had

a Christmas formal in December and another formal in the spring. We planned activities for fun for just ourselves such as VCR days and special dinners. We also had different parties with other organizations on campus.

# Gamma Delta Sigma

**G**amma Delta Sigma was founded on November 7, 1977. We are 57 members strong with 10 pledges for the spring semester. We had a great Homecoming weekend with six members in the court and a lot of visiting alumnae.

All year we were very busy with service projects. On weekdays we work with a nearby church, feeding the local children breakfast. Other service projects include writing men and women in the Persian Gulf, hanging yellow ribbons on our doors and windows, handing our purple ribbons to all women for the month of October in

support of National Domestic Violence Awareness month.

We had a fantastic time at our annual Founders' Formal held at the Quality Inn on November 10, 1990. Gamma Delta Sigma also co-sponsored the Freshman Valentine's Dance with Theta Chi and participated in intramural sports.

During the spring we held an auction for our 200th sister, Brandy Lee Sudol, who passed away in February of 1990. All proceeds went to her memorial scholarship fund.

# Kappa Delta Rho

**P**si Chapter of Kappa Delta Rho did numerous service projects over the course of the year. Such projects included helping the unfortunate at a local soup kitchen and finishing first among other Greek organizations in a campus blood drive. K.D.R.'s plans for house improvements included the purchase of new furniture for the lounge and blinds for the windows. During finals week the brothers again organized the delivery of fruit baskets to students.

Social highlights of the year included several successful registered parties,

which included teaming up with Greek organizations such as Alpha Sigma Phi and Alpha Rho Omega. The best social events, however, were the annual "Back to Hell" party and the Red Rose formal. Both festivities were enjoyable for all, including brothers, alumni, and fellow students.

# Lambda Chi Alpha

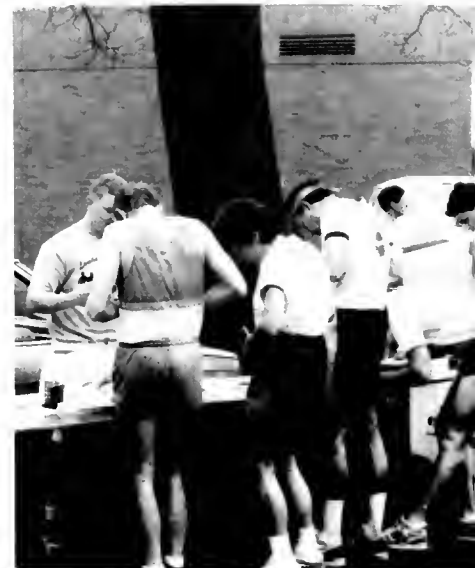

**T**his year was one of Lambda Chi Alpha's finest. Together we regained housing in Wesley. We increased the chapter size with fifteen outstanding men and we rebuilt a crumbling organization with a solid foundation.

This year we accomplished some outstanding philanthropic activities, the first being the Bethune Douglass Community Center project. The second was the annual Five Mile Run for Camp Cadet and

finally participation in Adopt-a-Highway.

Lambda Chi Alpha would like to thank those seniors who have been such outstanding assets to the fraternity: Marc Miller, Duane Neidigh, Drew Schaible, Steven Slattery, Don Smith, and Jeff Ziegler. Good luck, fellows, and don't be strangers.

# Tau Kappa Epsilon

**T**au Kappa Epsilon was founded in 1899 and in less than 100 years, TKE has become the largest international fraternity. The Mu-Theta chapter at Lycoming was founded in 1969.

This year the brothers of Tau Kappa Epsilon, were again busy with a heavy schedule of school activities and parties. TKE continued its academic success by earning the highest GPA for the fraternities. TKE brothers raised money for SAMS at the campus carnival and at the Lycoming Mall with their quarter campaign.

TKE had a successful homecoming and held its traditional homecoming barbecue outside East Hall. They also held several successful parties with Alpha Rho Omega.

## Theta Chi

**T**heta Chi fraternity started off very quietly. The fraternity ran into a few problems, but with the help of our national and the college administration we are back on our feet. Once again the brothers of Theta Chi are proud to be who they are. Right now we have a total of 33 quality brothers and we are looking to add to this total.

Theta Chi is also proud of all the service they give to the community and school. Once again we sponsored the Freshman Class Valentine's Dance with Gamma Delta Sigma, helped teach the handicapped to bowl every Saturday morning,

and gave our appreciation to the troops in Iraq by putting up yellow ribbons for them. We helped Dean Wolf by sponsoring "An Evening in the Library with Thomas Jefferson" for selected freshmen. Our plans for the future include helping the elderly by selling daffodils.

Theta Chi is also proud of our academic and athletic skills. This year we maintained a GPA better than the all-men's average and have continued to climb the last three years. This year we remained undefeated in both intramural softball and football.

Lycoming's wrestling team, under the leadership of Coach Budd Whitehill, ended the season with an impressive winning record of 9-3-0. The season opened with five straight victories before a disappointing loss to arch rival Delaware Valley (17-22) in a tough match.

Lycoming bounced back with three more wins, only to suffer two losses to Bucknell and Cornell. But the Warriors finished strong with a win over Elizabethtown.

Coach Whitehill was selected for in-

duction in the NCAA Division III Wrestling Hall of Fame. Pete Solomon received the Andy Bergesen Memorial Award, while Kurt Schneck received the Art Oraschin Memorial Award. Sophomores Ken Tallman (hwt.) and Schneck (126) and seniors Garth Lakitsky (190) and Solomon (142) each were Middle Atlantic Conference champions and qualified to compete in the NCAA Division III National Championships. There Schneck placed eighth in his weight class (2-3) and earned All-American honors.

**T**he Lycoming College Swim Team started the season with a new coach. Jay Kramer came to Lycoming from the University of Wisconsin-La Crosse with new ideas for a successful program.

Both the women's and men's teams had seasoned swimmers returning for another year. But the teams were small in numbers, and even though the swimmers gave it their all, it just was not enough to enjoy a victorious season. The two

teams finished the year with 1-7 records.

The women's team loses no seniors to graduation, so it should return stronger next year. The men's team loses Mike Macchione, the only senior on the roster. Macchione was a two-time MAC Winter Sports Academic Honor Roll recipient. This honor requires a minimum 3.4 grade point average in the academic major and significant contribution to the sport played.

# Twelve hours of fun

**W**hat? Two large hot tubs outside of Skeath! Is Skeath Hall being transformed into a health club? Actually, Skeath Hall was the site of an all-night party sponsored by CAB. But why two hot tubs? That's because it was the first ever, night-long Hot Tub Party!

The morning of the party a company from State College delivered and set up two hot tubs outside Skeath. By seven, the tubs were filled and ready to go. People were already there waiting and couldn't be kept out of the tubs. At nine the party officially began.

The DJ's started spinning the tunes and the dancing began. Inside, people were dancing and eating, while outside people were relaxing in the hot tubs which were

filled to their maximum capacity, plus a few more. Unsuspecting spectators who came too close were either soaked from the splashes or thrown into the water fully dressed, but no one minded.

Sigma Pi brothers served as "lifeguards" and WRLC broadcast live from the event. The party was in full swing until about five in the morning when the crowd started to dwindle. Things picked up a little in the morning when people came back to take their last dips in the tubs.

Hot tubs—what a brilliant idea! What will CAB come up with next?

# And the winner is . . .

**T**he campus is empty. No one is in sight. Where could everyone be? Well, on Friday, February 15th, everyone was squeezed into the Arena Theatre to watch sixteen men compete in one unusual competition.

Fifteen male students and one administrator, representing fraternities and other campus organizations, strutted on the stage in swimwear and evening gowns. These men gave it their all and really put on a great show. Each tried to out do the others and the competition was tough.

And why were they doing this? To win the very prestigious title of "Mr. Lycoming College of 1991" and to raise money for a fund established in memory of Sean

Walsh. The master of ceremonies was Dr. Edward Gabriel while the judges were Dean O'Brien, Phyllis Sieber, Deborah Weaver, Melissa Harde and Jolie Labour.

After the first two events, the swimsuit and the evening gown competitions, nine finalists were chosen. To determine the winner, each finalist was asked what his one and only wish would be. The answer, "a dream date with Dean O'Brien," won the competition for one lucky contestant . . . Alan Palmer, "Mr. Tau Kappa Epsilon," and now the reigning "Mr. Lycoming College, 1991."

The Lady Warriors, still a very young team, finished the season with a 4-6 MAC record and an 11-14 overall record. The team was coached by Suzanne Helfant in her first season as a head coach and was led by co-captains Deb Reed and Leslie Spangler.

Senior Deb Reed was nominated as the most valuable player and received the outstanding pitcher award. Reed and catcher Kim Glodek were nomi-

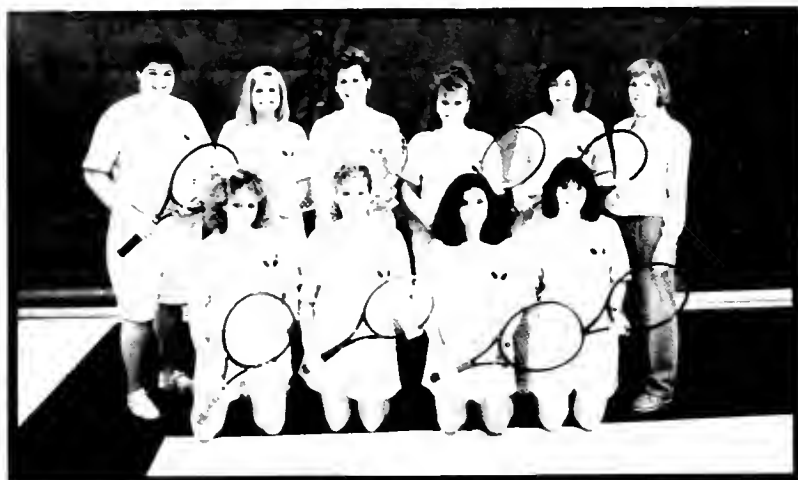

nated for All-MAC honors. With over 82 innings pitched, Reed finished the season with an earned run average of 2.54. Stephanie O'Toole pitched over 77 innings with an ERA of 3.53.

On the offensive side, Amy Bauman led the hitters with a .329 batting average, followed closely by Jen Krpata with .321. Topping the list for hits were Bauman (24 hits) and Yvonne Neece (23 hits) while Carol Fenix led the list with 14 runs batted in.

# Live at Lyco ▶▶

**W**hile enjoying dinner on the Quad and some fun in the sun, Lycoming students were entertained one Friday afternoon by a live band. Three students from Lycoming, John Oleniacz, Brian Clayton, and Dan Ward, plus another individual made up the band, Progression.

Progression entertained Lyco students with music from the 60's, 70's, 80's, and 90's. While the students listened to the band they sat out in the sun, ate dinner, and played volleyball.

# The Greeks compete

**T**he coming of spring signals an annual tradition at Lycoming College. Each year, the Greek fraternities and sororities meet on the Quad, in the pool, and in the gym to compete in some unusual events. All week long, the fraternities and sororities compete in what is referred to as Greek Week.

Greek Week opens on Sunday at 5:00 p.m. with the hanging of the banners in the cafeteria. Later that night is the Greek Sing, where each organization performs two original songs. This year these selections ranged from a rendition of the "Time Warp" to an original interpretation of the Brady Bunch theme. For the next

few days the Greeks compete in volleyball, bowling and in field events such as relays, keg toss, three-legged races, dizzy bat, egg toss, tug of war, and toga race.

The highlight of the week are the pool events, especially synchronized swimming. The routines are quite humorous and fun to watch. Following this are the races, including a relay, corkscrew, and "baggy drawers."

The competition was tough and close, but two organizations emerged on top. Greek Week 1991 winners were Gamma Delta Sigma and Kappa Delta Rho.

# Brandy Lee Sudol Auction

**O**n March 15, 1991, local sorority Gamma Delta Sigma held an auction in the coffeehouse to raise money for a scholarship fund established in memory of Brandy Lee Sudol. Brandy Sudol was a nursing student in the Class of 1991 and a Gamma Delta Sigma sister who died February 23, 1990, from Hodgkin's disease. In an interview with *The Lycourier*, Gamma Delta Sigma's president, Kirsten DiFelice-Antonio commented, "We are holding this auction to keep the memory of Brandy alive because she was such an energetic and special person."

Gamma Delta Sigma asked students, organizations, faculty and administrators

to make donations of goods or services for the auction. The donations ranged from babysitting to tutoring, slaves for a day to various dinners, a sailing trip to a date with Bruce Davis. Wearing a variety of different personalities in his role as auctioneer. In addition to donating, students and staff turned out in large numbers to bid on their favorite items.

The event was a huge success and everyone participated to make the first annual Brandy Lee Sudol Auction a lot of fun. Gamma Delta Sigma raised over \$2,000 towards the scholarship in memory of Brandy.

# Superior achievement recognized

**T**his year the annual Honors Convocation was held in the Lamade Gymnasium instead of Clarke Chapel and was well attended by students and parents. The ceremonies opened with the faculty processing in their academic robes. Rev. Marco Hunsberger offered the invocation and Dr. Robert Falk, Acting Dean of the College, introduced the program.

Departmental awards were presented to students by faculty members from those departments. Awards were given in the fields of accounting, biology, business administration, chemistry, economics, English, foreign languages, history, mass communication, mathematics, mu-

sic, nursing, political science, psychology, and theatre.

Senior Steven Strunk was awarded the Financial Accounting Award, given to the accounting major with the highest average in intermediate or advanced accounting, and the Durant L. Furey III Award for outstanding achievement in accounting.

Freshmen Bruce Wevodau and Shannon Keane were presented awards for outstanding performance in Biology 110/111 and general chemistry, respectively. Susan Vilello was awarded the Don Lincoln Larrabee Law Prize for outstanding scholarship in legal principles. Gina Lawruk was awarded the Criminal Justice

Prize, Jocelynn Labour received the John A. Streeter Memorial Award for outstanding achievement in economics, and Rafael Moreno Valle Rosas received the Wall Street Journal Student Achievement Award.

The Dan P. Gustafson Award for the highest standards of literary and critical excellence in writing went to Cheryl Peters. Dr. MacKenzie presented the Phil G. Gillette Prize in Modern Foreign Languages to Jason Moyer and Yvonne Mitchell for excellence in German, Amy Falk and Annette Bieber for excellence in Spanish, and Elizabeth Sahm-Kelly for excellence in French.

and Writing Prize in History for her paper on the history of Alpha Rho Omega written for the Historical Methods course. In mathematics, Michael Macchione was presented the Sadler Prize and Leianne McMartin received both the Feree Award and the Frances K. Skeath Award. The Junior Book Award to the top junior student in political science went to Robert Guellich and Dr. Roskin presented the Department of Political Science Excellence Award to Rafael Moreno Valle Rosas in Spanish. Amy Baumlín received the Psi Chi Service Award for her contributions to the Psychology Department. Milton Glenn was presented the Arena Theatre Performance Award for outstanding contribution to performance art as a theatre major. Dr. Boerckel presented the Lycoming Scholar Senior Awards to Amy Baumlín, Jeannie Breslin, Lewis Duttry, Karen Leibman, Michael Macchione, and Cheryl Peters.

Mrs. Dorothy Maples announced that Elizabeth Sutliff was the recipient of the da Remley Scholarship. Alpha Rho Omega, for the second year in a row, received the Torchbearer Award for excellence in academic achievement.

**Above: Colleen Kramer heads toward the podium to be presented with the Walter McIver Award.**

Dean R. Michael O'Brien presented Jeannine Malkiewicz the Helen R. Hoover Community Service Prize and Kevin Brobson the Jack C. Buckle Award. Joelle Breslin was awarded the Ethel McDonald Pax Christi honor. Eric Reff, president of SALC, presented the Makisu Award for outstanding service to the College community posthumously to Sean Walsh. His parents were present to accept the honor.

Service to Lycoming Awards for unselfish service and contribution to student life were presented to Malena DeMore, Elissa Foner, Karen Leibman, Dana Miller and Alan Palmer. The awards recognized the four-year contributions of

these graduating seniors.

Elizabeth Sutliff, Kerri Bloom, Robert Guellich, Karen Hecht, Ben Luci, Kenneth Mayer, and Meredith Rambo were inducted into the Iruska Honor Society by the 1990 members.

Ms. Deborah Holmes presented the Intramural Athletes of the Year to Lori Brokenshire and Mark Ruthkosky. Coach Frank Girardi had the honor of announcing the Sol "Woody" Wolf Award to Liz Evans, the Pocahontas Award to Adrienne Aiken, and the Tomahawk Award to Pete Solomon.

President James Douthat presented the Lycoming College Junior Faculty Teaching Award to Dr. Barbara Buedel and the Lycoming College Senior Faculty Teaching Award to Dr. Michael Roskin.

Above: Milton Glenn is presented the Arena Theatre Performance Award by Prof. Jerry Allen.

The highest honor, the Chieftain Award, was presented last by Dr. Douthat following the recognition of those seniors who had been nominated as candidates by the Senior Class. Candidates included Amy Baumlín, Amy Buffenmeyer, Brenda Gearhart, Margaret Hayden, Jeannine Malkiewicz, Danny Onorato, and Eric Zerbe. The Chieftain Award is given to the senior who has contributed the most to Lycoming College through support of activities; who has exhibited outstanding leadership qualities; who has evidenced a good moral code; and whose academic rank is in the upper half of the class. Margaret "Maggie" Hayden was elected Chieftain 1991 by vote of students, faculty and staff. President Douthat read the citation listing her achievements and presented her with the award.

**C**lasses are done for another year and summer has begun early for the students of Lycoming College. But for seniors, May is a very important month. Within the following pages, the *Arrow* staff presents the 1991 Senior Class. Also, graduation ceremonies are covered in detail.

# Seniors

Seniors continue  
tradition  
and party at Geo's

**F**or the second year in a row, the senior class held a party for all seniors at Geo's, a bar on Market Street. This new tradition was started last year and the Senior Party looks like a tradition that will last.

The party was a time for fellow classmates to get together and party with each other before graduation and going their separate ways. The party was a success and a great time was had by all.

John Kerr, Chris Deitrich, Eric Reff, and Patrick LaJeunesse party at Geo's.

*Finally, the time  
has arrived.*

**F**our years at Lycoming and finally, the time that no one thought would come, graduation, arrived. The time went by quickly, though. While here at Lycoming memories were formed that never will be forgotten.

But now is the time to receive our diplomas, the ones for which we worked so hard for four years, and the time to say goodbye to Lycoming, professors, friends — to the happy and sad times. Now is the time to move on and go forward, into our new lives as college graduates and to what the future has in store for us.

# Building to a successful future

**D**iane E. DeNisco, president of the graduating class, addressed her classmates, their families and friends in the "Presidents' Moment" at the Commencement ceremony. With thanks to Diane, her remarks are included in these graduation pages.

*Welcome Graduates, Board of Trustees, Administration, Faculty, Families, and Friends.*

*Today is a very special day for the graduating class of 1991. Today, we may be closing the door on our experiences at Lycoming College but opening new ones. We now are faced with a realm of opportunities including new happiness and new relationships. This special day*

*brings strength, courage, and power to us from the degrees which we will soon receive. This day is ours to shine upon, take a step forward, and become everything we have dreamed of becoming.*

*Our journey has just begun. But it is important to be confident that our future endeavors will be successful. It is through our achievements that we have set a foundation from which we will build for our journey.*

*Today is our day to celebrate! A new life is waiting to be lived and it is up to us to decide what that will be. Some of us may be skeptical of what we can achieve, but the guidance we have received over the years has helped us become confident.*

Commencement

LYCOMING COLLEGE

Williamsport, Pennsylvania

George R. Lamade Gymnasium  
in the  
Physical Education/Recreation Center

Above: Malena DeMore reads the New Testament lesson, Acts 2:14-21.

Left: Rev. Bruce D. Fisher delivers the Baccalaureate sermon.

*Without our families' values and beliefs that have been taught to us throughout our youth, we would not be what we are today. It is the strength and support given by them that has enabled us to be confident of ourselves. It is their turn now to reflect on what they have provided for us, and they should be proud of our achievements knowing that without their help we would not be here today.*

*With all the knowledge, support, and confidence gained, we can step forward and build our way to a successful future. As Henry Wadsworth Longfellow once wrote in his poem "The Builders":*

*All are architects of Fate,  
Working in these walls of Time;  
Some with massive deeds and great,  
Some with ornaments of rhyme.*

*Nothing useless is, or low;  
Each thing in its place is best;  
And what seems but idle show  
Strengthens and supports the rest.*

*For the structure that we raise,  
Time is with materials filled;  
Our todays and yesterdays  
Are the blocks with which we build.*

The Trustees, President and Faculty

Below: Kerry Downs pins on Adrienne Aiken's cap.

*Truly shape and fashion these;  
Leave no yawning gaps between;  
Think not, because no man sees,  
Such things will remain unseen.*

*In the elder days of Art,  
Builders wrought with greatest care  
Each minute and unseen part;  
For the gods see everywhere.*

*Let us do our work as well,  
Both the unseen and the seen;  
Make the house where gods may dwell  
Beautiful, entire, and clean.*

*Else our lives are incomplete,  
Standing in these walls of Time,  
Broken stairways, where the feet  
Stumble, as they seek to climb.*

*Build today, then strong and sure,  
With a firm and ample base;  
And ascending and secure  
Shall tomorrow find its place.*

*Thus alone can we attain  
To those turrets, where the eye  
Sees the world as one vast plain,  
And one boundless reach of sky.*

*May all your goals be endless and at-  
tainable because the world awaits the  
strong and ample base that we now can  
provide. To the Class of 1991, the future  
"builders," I wish each and everyone of  
you the very best of luck!*

LYCOMING COLLEGE

WILLIAMSPORT, PA. 17701

An Open Letter To The Class of 1991:

Congratulations upon your accomplishments! You are now the proud possessors of an Arts and Sciences Education and are prepared to face the challenge that will lead society into the 21st century.

It is important to note that the services of Lycoming College do not end after you have been graduated. Alumni are welcome to make use of programs offered by the Career Development Center - career counseling, resume critique/update, and job contacts.

The Career Development Center will continue to make available to you information on job opportunities over the summer on the Job Hotline (717-321-4034) and through The Lycourier during the school terms. We do ask that you participate in the Career Development Center's follow-up study conducted approximately one year after your graduation, so that we may produce an accurate profile of the placement of the Class of 1991.

Just as we hope to keep you informed of new developments on campus through the Alumni Office and the Lycoming Quarterly, we hope that you will do the same for us. If you change your residence, place of employment, or complete additional schooling, we would appreciate knowing about your future accomplishments. As your careers develop and unfold, our current students may learn from your example and advice.

In addition, we ask that you help your alma mater by informing us of any job openings in your place of employment so that we might assist future graduates in their job search. Please notify us also about internship and summer employment opportunities. Lycoming alumni support the college in a variety of ways. We look forward to working with you in the future.

HELP YOUR ALMA MATER SHARE THE PRIDE OF YOUR ACCOMPLISHMENTS!

Christina E. MacGill  
Director, Career Development Center

Sean P. Walsh  
1960-1991

**A**s students returned for the second semester, the campus was shocked to learn of the sudden death of Sean P. Walsh, lay Roman Catholic minister, in an automobile crash on January 6, 1991.

Walsh provided religious programming and counseling for students and assisted in the sacramental ministry for Roman Catholic students. Perhaps Walsh's greatest contribution was encouraging students to express their faith through involvement in volunteer services in the Williamsport community. Although he was a member of the Lycoming community for only 18 months, his impact on the campus was significant, a fact recognized by the Student Association of Lycoming College when it posthumously presented the annual Makisu Award to Sean Walsh.

**T**he 1991 Arrow recorded the final year of Lycoming's Class of 1991. The theme for this year was chosen after hours of thought and discussion. The staff was looking for just the right theme that would tie in and fit the events of the

was moving forward with lots of changes.

Not only were there major physical changes on the campus, some of the important faces changed, too. The Heim Biology and Chemistry Building opened, the Campus Store was born, Wertz took on a totally different look, and Dean of the College Shirley Van Marter departed to be replaced by Acting Dean Robert Falk.

In the world at large, the United States went to war in the Persian Gulf, and the campus too was affected. Dr. Doris Parrish, chair of the Nursing Department, was called up to serve at an Army field hospital in Saudi Arabia, while many students dealt with friends and family members who also departed for the desert and unknown fates. The special insert, "America at War," was prepared and provided by Herff Jones, the publishers of the 1991 Arrow.

It was only appropriate to tie all this change and forward motion into the yearbook. Even the yearbook itself changed this year, breaking from the traditional format to something entirely different. The final result did not come easily. It was the result of many long hours and hard work. The staff put in a lot of dedication, time, and effort to put forth a great book.

getting all of the ads that appear in this book. Special thanks to sports photographers Liz Carnicelli and Janice Fruth, and photographers Nancy McEnery, Jenn Zorn, Raj Thampi, and Lisa Bower. Also, a thank you goes to Wayne Fisch for taking football pictures down in Florida.

I would like to thank all the individuals who wrote copy for sports and organizations and especially Kat Smith who submitted some wonderful copy. Finally, to Heather Harris, Jen Cella, and Brenda Peterman thanks for helping in any way they could and for doing a little bit of everything. As Editor, I would like to recognize a wonderful advisor, Sue Beidler, and a special thank you goes out to her for all her hard work, advice, dedication, and determination, especially during May and the last months of the book's production. Without her, there would not be an Arrow.

I hope everyone enjoys the **1991 Arrow** as much as we enjoyed putting it together for you.

year and the Class of 1991. The staff had many great ideas, but it was narrowed down and the final decision was **Fast Forward**. To the staff, it seemed that Lycoming, its students and life in general

The Arrow staff was small but strong. Many thanks must go out to all those who worked on the yearbook. Kendra Green took on the responsibility as advertising manager and single handedly went about

## JANUARY 16, 1991

*The Berlin Wall crumbled without bloodshed after dividing East and West Germany for decades. Nelson Mandela was freed from a South African prison after serving 27 years as a political prisoner. Mikhail Gorbachev introduced "Perestroika" and "Glasnost" as he made sweeping reforms across the Soviet Union. The Cold War came to an end as the relationship between the United States and the Soviet Union turned into one of cooperation.*

*The end of the eighties seemed to signal the end of conflict in many areas of the world. Although there were still some troubled spots around the globe, many looked to the nineties as a decade of peace and healing.*

*On August 2, 1990 Saddam Hussein of Iraq invaded Kuwait.*

*Saddam Hussein, whose name translates as "one who confronts" threatened the invasion on July 17. Our feelings of peaceful optimism disappeared as the person U. S. News and World Report magazine labeled "The World's Most Dangerous Man" sent 100,000 troops into Kuwait.*

## TO FREE KUWAIT

- Aug. 3, 1990. The United Nations Security Council denounces the attack on Kuwait and orders world-wide economic sanctions against Iraq.
- Only a few days after the brutal attack on Kuwait, Iraqi troops move toward Saudi Arabia's border.
- As a total of 28 nations come together, Operation Desert Shield is born. Allied forces include the U.S., Italy, England, Egypt, Kuwait, Saudi Arabia and Canada.
- Aug. 6, 1990. President Bush commits U.S. forces to the Saudi Arabian desert. Demonstrations in support of troop deployment to Saudi Arabia, and against it, fill streets in America and abroad.
- Aug. 28, 1990. After pleas are made from around the world, Saddam Hussein releases the women and children hostages he held.
- Nov. 29, 1990. The United Nations Security Council gives Saddam Hussein 47 days to unconditionally withdraw from Kuwait. This order sets the Jan. 15 deadline.
- Dec. 6, 1990. Saddam releases hundreds of Western hostages.
- Nineteen hours after the deadline, the night of Jan. 16, 1991, the liberation of Kuwait begins

with massive air attacks on downtown Baghdad and occupied Kuwait. Operation Desert Shield becomes Operation Desert Storm.

- Hours after the war begins, in an attempt to break up the U.S. led coalition, Saddam releases his first Scud missiles at Tel Aviv, Israel.
- In Israel's defense, America quickly sends Patriot missiles to knock out the incoming Iraqi Scuds. The Patriot's performance proves to be exceptional.
- Two weeks into the war, Saddam Hussein violates *The Third Geneva Convention* by parading allied prisoners of war on television. The battered men make statements condemning Allied attacks on "peaceful Iraq."
- Feb. 2, 1991. Saddam torches oil fields and releases more than 6 million barrels of crude from Kuwaiti tankers and offshore terminals (12 times more than the Exxon Valdez spill) in a failing attempt to ward off an amphibious attack and endanger Saudi Arabia's water supply.
- Feb. 21, 1991. Soviet diplomats meet with Iraq's foreign minister, Tariq Aziz, in an effort to draw up a cease-fire proposal that meets the conditions of the United Nations Security Council.
- Feb. 22, 1991. President George Bush,

reaffirming United Nations Security Council resolutions, gives Saddam Hussein less than 24 hours to get out of Kuwait or risk ground war.

- Feb. 23, 1991. The ground war attack to liberate Kuwait is launched. Over 20,000 Iraqis surrender in the first 36 hours of the confrontation.
- Feb. 25, 1991. An Iraqi Scud attack on Saudi Arabia kills 28 Americans and injures over 100.
- Feb. 26, 1991. Kuwaiti Government Official declare Kuwait liberated.
- Feb. 27, 1991. President Bush orders a cease fire exactly 100 hours after the beginning of the ground war assault. America suffers 291 casualties, 9 Americans become prisoners of war and 27 planes are lost. Of Iraq's 400,000 troops, 300,000 are taken from action, while 3,008 tanks and 140 planes are destroyed.

Operation Desert Storm was a war similar to wars of the past. Yet it was a war unlike any previous war. Operation Desert Storm added a new dimension to the term "war." Never before had there been laser-guided missiles; never before had women served in a military capacity on such a large scale; and never before had the United States gone into war with an all-volunteer force.

Because of the "smart" weapons being used in Operation Desert Storm, some called this the "Nintendo" war, while others referred to it as "Star Wars." In any case, the comparison was clear. This would be a war of sophisticated technology. The use of high-tech weapons would determine the victor.

The Apache AH-64 helicopter, the M-2 Bradley and the Abram tank all made their debut as a new generation of weaponry. The Apache brought with it the laser-guided Hellfire missile that illuminated targets with a laser beam before destroying them. The 20-foot-long Tomahawk missile (smart bomb), made with small jet engines and on-board computers, was said to have a mind of its own. Programmed by an inertial guidance system, the Tomahawk could fly over 500 miles per hour. By using sensors and gyroscopes to measure changes in direction, it could be fired from a ship or submarine 1,500 miles from its target and hit it with unnerving accuracy. The Patriot missile was said to be the backbone of defense artillery. Many doubted the capabilities of the Patriot; the thought of a bullet hitting another bullet was simply unimaginable. However, like the other sophisticated weaponry used, the Patriot proved exceptional.

This conflict was unlike any other in recent history for more reasons than just the use of high tech equipment and the presence of women in military roles. Perhaps the most unique thing about Operation Desert Storm was the use of the National Guard and Reserves. Many joined these organizations for patriotic reasons, while others joined to help pay for a college education or gain job experience. It was fairly safe to assume that few ever imagined that they would end up involved in a Middle-East war.

The most frightening aspect of the conflict with the Iraqi troops was the constant threat of chemical and biological warfare. No other leader in recent history had been as threatening in this respect as Saddam Hussein. Throughout the conflict military forces and civilians scrambled to get into gas masks as air raid sirens sounded. Iraqi missiles were frequently aimed at heavily populated military and civilian locations in Saudi Arabia and Israel. Precedent had shown that Hussein would not hesitate to use chemical and biological warheads.

While facing this threat, the troops involved in Operation Desert Storm had the support of the entire country. And while many may have questioned the motives behind the conflict, none questioned the valor of those who served.

HIGH TECHNOLOGY GOES TO WAR

ALL  
VOLUNTEER  
FORCE

The impact of Iraq's invasion of Kuwait was first felt by Americans at the gas pumps. Gasoline prices skyrocketed immediately after the invasion. The inflated prices were only temporary, however, and by the beginning of the ground war on February 23, gasoline prices averaged five cents a gallon less than the day before the invasion.

As the days dragged on with Iraqi forces still in Kuwait, people began to fear more than high fuel prices. When President Bush committed U.S. forces to the Middle East, the conflict hit home. Saddam Hussein had not only invaded Kuwait, but he had also invaded American homes. Men and women who had never imagined going to battle were sent to the Saudi Arabian desert. Suddenly this was our war. Our fathers, mothers, husbands, wives, siblings and friends were leaving the safety of home and traveling to the Middle East. Children were being left with relatives and friends as both parents were assigned to Operation Desert Shield. Reservists and National Guard members were being called upon to take an active role in the effort to free Kuwait.

As more and more civilians were being sent to the Middle East, we remembered hearing about the draft during the Vietnam War. If this conflict dragged on would the draft be reinstated? Would we be called on to go to war half a world away?

We held our breath with every news report. Months dragged by as the world waited for economic sanctions to force Iraqi troops out of Kuwait. We waited anxiously as the January 15 deadline passed. Just as the generation before us remembers JFK's assassination, we remember where we were on January 16 when we heard that the war had started. We watched in horror as Iraqi television broadcast footage of brutalized allied POWs. We stared in disbelief as the ecological balance of the Middle East was deliberately destroyed by an oil spill and oil fields that had been set ablaze. We were constantly amazed by reports of atrocities that were reported by eyewitnesses from Kuwait.

While we worried for our loved ones and friends in the Middle East, an amazing thing happened here at home. Patriotism reached an all-time high. American flags were everywhere. The country was covered with many yellow ribbons, our symbol that our thoughts and prayers were with our fellow countrymen in the Saudi desert. Not everyone agreed that we should be involved in the Middle East conflict, but nearly everyone supported the men and women who were part of the allied coalition.

The impact of Desert Storm will be with us for years to come. We will remember the waiting, the fear, the sorrow and the patriotism. We will remember how it felt to be part of the most serious conflict since Vietnam. We will also hope that this will be the only war story that we will have to tell our children.

# AMERICA WELCOMES BACK THE HEROES OF DESERT STORM

**O**n February 27, 1991, President Bush ordered a cease-fire exactly 100 hours after the beginning of the ground war assault. Kuwait was liberated. The mission of the allied coalition was complete.

The American people are proud of their military. It was time to concentrate on the safe return of the men and women of Operation Desert Storm. The removal of U. S. forces from the Gulf was predicted to be complete within six months.

## My Thoughts About Desert Storm

*What were your hopes and fears when you heard about the beginning of Operation Desert Storm?*

*Do you have any relatives or friends serving in the military?*

*Has the war brought people together in this country?*

*How has the war affected you?*

*What is your prediction for the future of this area?*
